Overview

Tiki Bar is an extraordinary low hour CAT powered 66 Viking Convertible with an NG2600 SeaKeeper. CAT warranties are in place with Platinum Plus through 7/25/19 or 1800 hrs. Tiki Bar was carefully appointed by a 3 time Viking owner. The bulk of the time put on the engines is at troll speed. Tiki Bar offers a dynamic blend of fish and cruise features. It's half tower arrangement is by PBT and is coupled with a loaded AME Electronics package. Tiki Bar's flaunts a well dressed interior with very nice upgrades and details from a backlit Channel Glass backsplash to custom sofa's, teak accents and custom headliner throughout. Tiki Bar carries all the cockpit extras including seawater supplies for different style on deck wells, transom live well, sole live well, cockpit refrigeration with stainless steel bait trays, a Murray Brothers Fighting chair on a stainless offset pedestal all to take on any tournament level fishing with the creature comforts of air-conditioned mezzanine seating and a teak cockpit sole. When the fishing is done and you want to bounce around the islands Tiki Bar comes with a davit with hydraulic boom and rotation to carry the tender of your choice. The accommodations of the 66 Viking speak for themselves with a huge salon including day head and 4 stateroom 4 head arrangement below. The 66 Viking with CAT power offers the ultimate in unmatched performance with long range and incredible roll reduction with the Seakeeper package to make for a more enjoyable time when you get to where the fish are. Tiki Bar has been a one owner vessel with a successful track record and thorough maintenance schedule and offers a terrific well rounded option for the pre-owned buyer.

DETAILED INFORMATION

Vessel Walkthrough

As you enter the salon you will notice a robust custom larger depth sofa to starboard with arm compartments and easy access storage below. The salon flows seamlessly into the galley/bar stool arrangement with a virtually unnoticeable day head to port along with a curved teak credenza with a flat screen TV concealed on a high low mechanism. One can enter the galley just forward via outboard or in board with its convenient easy flow galley island. The island does not limit the ability to still have 3 subzero refrigeration units. (Two refrigerators and 1 freezer each with 2 drawers).

Plenty of upper galley cabinet storage along with a large pantry forward to port with additional storage above the dinette to starboard, both accessed from the companionway. Moving forward down the companionway to starboard lies the spacious crew quarters with ensuite head. To port you will find the master stateroom with athwartship king berth, a spacious head and his and hers walk-in closets behind teak raised panel doors. An additional guest stateroom lies forward to starboard with upper and lower berths again with access to its own head with shower! Entering the spacious VIP you will notice the pleasant volume especially in this stateroom with the ample headroom from the proud bow and raised sheer of the 66.

Salon / Dinette

- Day Head
- Costa, Carpet Runner, Full, Canvas
- Teak Crown Molding
- Teak Strips At Seams in Headliner
- Custom Baby Ostrich Headliner

- (2) DVI Extender ATLONA AT-DVII5SRS
- Gyration GO 2.4 Wireless Mouse and Keyboard (Combo GPS6105CKM)

Plotter

- Plotter GARMIN GPSMAP7215
- GPS Antenna Mount, Shake 4365

Plotter2

- Plotter, GARMIN GPSMAP6208 – 010-0075-01
- GPS Antenna Mount, Shake 4365

NAVNET Peripherals

- Ethernet HUB FURUNO NAVNET 3D HUB101
- LAN Cable FURUNO 10M RJ45-RJ45 for NAVNET
- (3) LAN Cable FURUNO 5M RJ45 #000-167-176

Sounder

- Sounder, NAVET 3D DFF3 1-3KW (Video Sounder Module Networked to NAVNET 3D System and NOBELTEC Software Non-Chirp Capable Sounder Module)
- Transducer AIRMAR CM599LH Chirp Capable (Low-28 KHZ to 60 KHZ/High-130 KHZ to 210 KHZ Chirp Capability will be Available at Later Date by Purchasing New Sounder Module When Available)

Digital Depth/Temp

- Display, FURUNO RD33 Data Organizer
- XDCR HI-Prec. TMP/2 FURUNO#235DHT-LMSE

Auto Pilot

- Auto Pilot Control Unit SIMRAD AP24
- Auto Pilot Interface SIMRAD SG05
- SIMRAD RC42 Rate Compass W/AAC 22030195

VHF

- VHF Radio ICOM IC-M604 Black (Viking Standard Equipment)
- VHF Radio ICOM IC-M604 Black
- (2) VHF Speaker External MB-41 Black (Mount in Overhead in Teaser Reel Box)
- VHF Command MIC ICOM HM-162 B Black Salon
- (2) 558434 VHF Extension Command MIC ICOM OPC-1541 (For Salon Command MIC)

AIS

- FURUNO AIS Transponder FA50 NAVNET Module (Networks AIS Information to NAVNET and NOBEL TEC Systems)
- Silent Mode Remote Switch to Disable Transmitting
- Splitter VHF-AIS Digital Yacht SPL2000

Stereo

12V Stereo System FUSION MS-IP700 (with Internal IPOD Dock and Additional Line with Wireless Connectivity for Optional Control with IOS APP AM/FM Tuner, VHF Receiver, Internal IPOD/IPhone/USB Dock)

- Tuner FUSION MS-ACSXV-Only Sirius/XM
- SATRADIO XM Satellite Radio Splitter Package - 4 Receivers
- (2) Speaker JL Audio 7.7 Coaxial M770-CCX
- Amplifier 4-Channel MHD JL Audio MHD600/

SATCOM

- SATCOM Terminal - Oceana 400
- Antenna Cable, Beam ISD934, 18M
- Mount, Oceana 400 SATCOM System

Cell

- 500533 Modem Sierra Wireless GX440-VER with DC Power Cable
- (2) 500534 Antenna Sierra Wireless GX440 (Qty. 2 Required/Installation)
- 500547 WiFi Converter/Bridge Rogue Pro
- 500577 Router Wave WiFi MBR400
- 559610 Router D-Link DIR-615

Weather

- Sirius SAT Weather Module BBWX2 (Required Subscription NAVNET 3D Integration)
- SAT Radio Sirius Antenna Shake SRA-40
- GPS Antenna Mount, Shake 4365

Camera

- (4) Camera Mini Ball with IR GOST PM-Mini ER Cameras
- Camera Switcher Color Quad with Zoom App (Mount Under Helm by Door)
- AMP MDA 3V Dual Comp VID AMP 2 in 3 Out View Cameras and Salon SATTV on Helm Displays
- Lather Camera Mounted on Hardtop with DUR to Record Cockpit Action

SATTV

- Satellite TV KVH TracVision HD7
- (2) DSS Receiver Direct TV HR24 HD/DVR Salon and MSR
- (3) DSS Receiver Direct TV Hi-Def H24 KVH 19 (Forward, Starboard, and Crew Staterooms)
- (5) Satellite TV Remote Control Kit RF for KVH HDTV
