SPECIFICATIONS

Overview

Built in GRP by Italian yard Ferretti with exterior styling and interior design by Zuccon International Project, *Macondo* was delivered in 2007 as a Ferretti 830 model. An interior in high gloss cherry wood accommodates up to ten guests in four cabins consisting of a master suite, VIP suite and two twins. All cabins have entertainment centres, LCD television screens and en-suite bathroom facilities, while a further two cabins can sleep up to four crewmembers.

Her large saloon has comfortable seating on an L-shaped leather settee and armchairs, and there is an entertainment centre including a 40-inch LCD television screen, mounted on a rise and fall mechanism, and a Bose Lifestyle stereo Surround sound system. Forward is a separate dining area with seating for up to eight guests.

The flybridge offers an inviting area for al fresco entertaining and dining, with a dual helm position, U-shaped seating, a cocktail bar, fridge and electric cooktop along with sun loungers and pads sheltered by a GRP hard top. More outdoor relaxation is available on the sheltered aft deck, fitted with built-in upholstered seating, a table and occasional dining chairs.
