Overview

This is most likely the nicest Riviera 4700 Sport-yacht you will find!

This is the same hull as the newer 5000 Sport-yacht. However, it is equipped with straight drive Cat C-12 Acert inboards, for those who prefer straight drive power. The boat is equipped with many desirable options and upgrades. Whats more, the boat shows as nearly new in most areas. The paint is relatively new, as is the exterior upholstery. The interior is nearly spotless including new carpet throughout. Most importantly the engine room is about as clean as you will find in a boat of this age. The 4700/5000 haul is a proven blue water hull that is sure to impress the most adventurous yachtsman.
