## Overview

---

In this day of instant classics, its nice to find a true classic...a 261 Mako. A boat built strong and reliable for saltwater fishing. Re-powered in 2008 with Yamaha 150's mounted on a bracket gives real peace of mind when you are offshore. Real Extreme tandem axle trailer makes getting her to and from the boat ramp a snap. Lots of storage in the vee-seats, deck boxes, and in the transom. T-Top with outriggers and front and rear spreader light. All of that gear plus a very powerful windlass to pull that anchor after a long day on the reef. Don't let this one pass you by...the summer snapper season is here and this Mako has plenty of days ahead of her to catch your limit.
