SPECIFICATIONS

Overview

Attention to Details will be your first thoughts when stepping aboard Deckadence. Loved, cared for and maintained by two knowledgeable owners, this boat will not disappoint you like many others will. If you are seriously in the market for a 40 Ft. Express Cruiser then I strongly recommend you place Deckadence at the top of your viewing list.

The Cruisers 400 Express introduced in 2003 as the 3970 Express and renamed the 420 Express in 2006 - 2010) is a sleek and stylish express cruiser that combines a spacious cabin layout with a comfortable cockpit and excellent performance. A hardtop shades the entire helm deck and an integrated swim platform, sunlounger/ table, cockpit shower and refrigerator offer the open-air amenities expected in a quality family cruiser. Below deck the natural cherry wood interior, premium furnishings and 6'5" headroom of the 400 express create the perfect environment for entertaining. The Forward Master stateroom with sink/ toilet on portside and shower stall to starboard is separated from the salon with a solid cherry wood door. Leading aft from the master stateroom the galley will be located on the port side and a sofa that converts into an additional bunk will be located on the starboard side. The aft stateroom has a privacy curtain and can be either used for additional salon seating or convert into sleeping quarters. The aft day head is located on the port side and can be accessed through a solid cherry wood door which includes a sink, head, and private shower stall.
