DETAILED INFORMATION

Manufacturer Provided Description

The Carver 460 Voyager combines superior function with luxury and space never before seen in a yacht this size. This new Voyager focuses on the interior space for living, weekend cruising and entertaining while still providing the luxurious overnight accommodations one would expect from Carver - with one added bonus: this is now a three-stateroom yacht. As passengers walk onboard and step into the full-beam salon through the tinted glass sliding cockpit door, they immediately see and feel an open concept that one would expect to find in a custom home. A Flexsteel UltraLeather L-shaped lounge that seats four is port and to starboard are two designer chairs surrounded by an elegant array of custom cherry wood cabinetry. Recessed lighting will make nighttime entertaining possible while enjoying the 360-degree water view. Granite flooring and countertops, smooth-top stove, coffee maker, convection microwave, and side-by-side refrigerator / freezer complete the impressive galley. The raised dinette seats four comfortably. With over 10 feet of headroom in this environment, guests have not only a spectacular water view, but a custom sapele pommele table with cherry tambour vertical under-cabinets will be a great conversation topic. Stepping down into the hallway that leads to the staterooms owners will find excellent space and cabinets for cruising needs. A VIP stateroom is to starboard and mid stateroom is to port. Both include designer fabrics and cherry wood cabinetry. A guest head with separate shower provides superior luxuries. The forward master stateroom boasts a wide walk-around island bed with innerspring mattress. Plenty of hanging lockers and cabinets housed in cherry wood allow for clothing storage and owners can sleep in late or retire early to view a favorite movie on the flat-screen TV with DVD player. The master head and separate shower provide all the comforts of home.
