Hull Material: Fiberglass

Engine Information

Engines: 3

Manufacturer: Yamaha

Model: F Series

Engine Type: Outboard

Fuel Type: Diesel

DETAILED INFORMATION

Salesman's Comments

“Rowdy” Was purchased new as a tender to a very prestigious and veteran sportfish program. Always maintained to the highest integrity and stored on a lift or indoor storage since new. The Invincible 36 is a Michael Peters stepped hull design built to run fast and lands smoothly. She carries plenty of fuel (475 gallons) to get to most any destination. At 4000 rpm’s she cruises about 47mph and makes about 1.3 miles per gallon. Rowdy has had all new electronics installed in the last year, a full boat cover, and a fresh detail. She is turn-key and ready to make your summer dreams come true! Easy to see located at our Stuart location on a trailer (Trailer not included).

2014 36' Intrepid
