## Overview

---

New to the market! This 42' is well equipped with triple 350 Yamaha's with remaining factory warranty. She was repowered in 2013 with Triple Yamaha 350's. Recent Furuno electronics package.

- Marine Head and stand up shower
- Isanglass Enclosure
- Windlass Anchor System w/ bow pulpit
- Custom Upholstery Screwless Rod holders throughout the gunnels
- New Dual Furuno GPS Plotter, Generator, Air Conditioning
- She is ready to fish or cruise the sandbars.
- **The 42 is Yellowfin's latest milestone in that march toward dominance among luxury sport-fishing boats. And, from the absolute mirrorlike gelcoat to the precision fit of hatches, doors and hardware, the company has staked out a nearly unassailable niche.**
- **Below is article from Boating Magazine.**
- with **triple Yamaha F350s** and a stepped hull, reached 63.6 mph on a slack tide just inside the south inlet of Sarasota Bay in southwest Florida. It accelerated quickly too, but most impressively, for a boat like this with a high, spray-deflecting bow, it climbed on plane without loss of horizon. Thank the stepped hull for that — and the 1,050 total ponies on the transom.

In turns, you'd expect a stepped hull to be slippery, but with this one, I kicked in some heavy rudder with a little down trim on the motors, and it came around without tripping.

The April weather was snotty: A cold mist was punctuated by crisp winds. Offshore, seas reached 4 feet. Two of us adult men stood at the helm and two guys rode behind the leaning post during our high-speed runs. As expected, I had an easy ride. Behind the helm, the ride was still soft, but the pivot moment was more accentuated. Those passengers kept one hand on the hardtop above, with feet firmly planted.

The 42's healthy price tag does not reflect its moderate appetite for fuel. The triple 350s can take this boat to the fishing grounds at 40 mph and 4,200 rpm, burning 40 gallons of gas per hour, or 1 mpg. Few 20,000-pound boats can make a mile on a gallon.

# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

Yellowfin's flagship sets the standard for what a big, brawny, no-holds-barred center console can be, designed for triple or quad outboard power, the 42 can run circles around big diesel inboards in a Marlin Tournament (while burning a fraction of the fuel), but is equally at home competing in a local KDW competition. Its versatility in terms of the sheer number of tasks it does well defies comparison. Whether you seek a large, family boat for weekend excursions in total safety and comfort, or a full-on tournament ready battlewagon, the 42 easily accommodates both duties. With an unmatched attention to detail in fit-and-finish, smooth dry ride, and performance, there is simply nothing else in the market to compare.

## Engines

---

Total Power: 1050 HP Engine 1: Engine Brand: Yamaha Year Built: 2013 Engine Model: F350 Engine Type: Outboard 4S Engine/Fuel Type: Gas/Petrol Location: Port Engine Hours: 985 Engine Power: 350 HP Engine 2: Engine Brand: Yamaha Year Built: 2013 Engine Model: F350 Engine Type: Outboard 4S Engine/Fuel Type: Gas/Petrol Location: Center Engine Hours: 985 Engine Power: 350 HP Engine 3: Engine Brand: Yamaha Year Built: 2013 Engine Model: F350 Engine Type: Outboard 4S Engine/Fuel Type: Gas/Petrol Location: Starboard Engine Hours: 985 Engine Power: 350 HP
