Overview

SeaCraft boats are now part of the Tracker Marine Group and manufactured here in Miami Florida.

This 2005 SeaCraft was repowered in 2017 with brand new twin Mercury Verado 300's. Since then only 53 hours have been put on them.

The beautiful white and blue upholstery, as well as the T-Top, were replaced a year and a half ago making just about everything on this boat practically new.

The boat comes with a 2015 trailer that has 18,000 GVWR, aluminum, triple axel, disk breaks, and LED lights.

This SeaCraft was always kept on the trailer. The fiberglass has NO cracks, "spider webs", soft spots, or gelcoat damages. Come see this boat before it's gone!
