SPECIFICATIONS

Overview

Available for ORDER

The Axopar 28 T-Top is a stylish open walk-around day cruiser. This versatile and easy to handle craft has plenty of room thanks to its spacious configuration for sunbathing, water-sports, fishing, socializing, diving or just cruising the coast. The Axopar 28 T-Top comes standard with an Aft. Cabin. This cabin can be removed from the build for a credit.

The class best helm ergonomics and drivers position combined with its high and long windscreen provides you and your passengers a comfortable ride and keeps you dry in all driving conditions. The center console layout includes generous storage in the front of the helm, accessed from the fore deck.

The T-Top model is now equipped with the Daycruiser aft cabin as standard with added comfort, ventilation and light in the aft cabin. It features twin flush mounted Lewmar roof hatches, mosquito nets and a roof headliner in Silververtex Ice color..
