- Custom Cabin Headliner with Leather-grained Vinyl over insulated foam backing
- Cabins are Carpeted and Color-Matched to interior Upholstery

Manufacturer Provided Description

The Albin 30 Family Cruiser is designed to satisfy the diverse demands of today's boating family. Albin pioneered the Aft Cabin concept in the sixties and seventies with the famous Swedish built Albin 25. Later in the eighties we built a 27 aft cabin model. The new 30 aft cabin offers roomy sleeping accommodations for 5 in separate quarters as well as improved performance. The forward cabin area has an enclosed marine head/shower compartment, a convertible dinette (to a 6' 6" x 5" queen berth) and a galley area with stove, refrigerator, microwave and sink. Aft of the galley is a 6' 3" x 3' 3" berth. Eight opening portholes and overhead hatch provide excellent ventilation to this area. There is a large storage well in the center of the cockpit. The well has a macerator and can be raised automatically if access is necessary. The aft cabin offers privacy for children and adults. It has 2 single berths which convert into a 7; 11" x 5" queen. The hull is designed with the North Sea in mind. The skeg keel protects the propeller and adds to the stability. The bow flair keeps the decks dryer. It comes standard with a bow thruster for easy dock side maneuvering. The Family cruiser can be ordered with a wheel house or as a convertible. Albins come very well equipped.

Exclusions

Owner's personal belongings.

Disclaimer
