The R-27, Luxury Edition is perfect for comfortable year-round cruising and effortless operation. The included solar panel will keep your batteries topped-off while you're away from the dock. Yacht-sized features, like standard bow and stern thrusters, provide for excellent maneuverability around the dock and the 8'6" beam allows the boat to be easily trailered.

The well-appointed cabin has a mid-ship office with desk and seat, which also converts to a berth that sleeps two. The dinette table is on a hydraulic piston that allows for an easy conversion to a berth or lounging area. The spacious front v-berth sleeps two adults and is over 6'5" in length. Cooks will love the standard galley which includes a sink, refrigerator, inverter, microwave and a combination propane stove/ oven. The marine head is standard with an electric flush toilet, glass vessel sink and shower.
