## Overview

---

Our Company and Azimut Yachts have partnered to develop the U.S. version of Azimut's popular 84 Flybridge model, perfect for the American yachting lifestyle. This new version features a redesigned flybridge, main deck and lower deck to provide maximum comfort, style, and versatility. Smooth shapes, sleek lines, and the sexy Italian style made popular by Azimut is exemplified in this new Azimut 84 Flybridge. Extraordinary outdoor living comfort is enhanced through a redesigned flybridge with fully equipped bar with seating, large outdoor BBQ, lounging tables, hydraulic arm, and ample seating. The main deck provides owners with an intelligent layout, the galley has been widened to provide additional space as well excellent visibility and direct serving access to the new bar area. Down below, the guest cabins have been reconfigured to provide a symmetrical layout offering ease of movement, more space, and exceptional views from each guest berth out of large windows. Cabins also have well-appointed ensuite heads with walk-in showers. The master cabin can be accessed from the new private staircase and features a luxurious head with double vanity, linen closet, and walk-in shower. The berth has been expanded to a king and the cabin is appointed with spacious his/hers closets.
