- Stainless steel tubing for main fuel lines

---

## Remarks

---

“Dealership” is the perfect size yacht offering the premium M Class build from Princess Yachts. Once onboard the volume of her open airy interior is impressive and extremely manageable for personal or Charter use. For the owner it features a beautiful full beam master with spacious bathroom & walk in closet and plenty of natural light from the oversized hull side windows. The VIP cabin forward is a suite of its own, being comparable to most master staterooms. The third is to port with a spacious queen bed & ensuite bathroom. The forth cabin to starboard features a pleasant side by side twin berth arrangement with its own ensuite bath. The main deck layout flows perfectly throughout the yacht from her aft deck dining tables and service bar right through the fully opening glass salon doors, that hosts incredible interior volume for entertaining with piano and full AV and formal dining for 8 guest. An impressive galley located forward has great storage and prep space. Port and starboard access doors from the pilot house allow access to the full walk around deck and sun pad on the bow.

“Dealership” also has one of the best flush deck flybridge arrangements in her class with the hardtop option and power sunroof over yet again a third place to dine at a large table for eight. This area is also highlighted by a full service bar with BBQ and tremendous sundeck aft. She is fast and stable with the zero speed stabilizers and ASEA global shore power systems. A must see for all 100’ buyers in turn key condition.

## Exclusions

---

Owner's personal belongings.
