SPECIFICATIONS

Overview

"Kings Ransom III" is an incredibly well equipped 58'/60' 2009 Riviera EB. We believe she is the only one on the West Coast and certainly the only one for sale on the West Coast. "Kings Ransom III" is owned by a knowledgeable yachtsman who has maintained her in great condition.

Some of the many attributes that make her stand out include; custom painted blue hull, Twin C-32 Cats 1550HP each, enclosed bridge with electric sun roof and lots of seating, 3 complete helm stations, hydraulic Rupp outriggers, AB 14' tender/ 70HP Outboard (2015), extensive Audio Visual equipment throughout, great electronics package, 3 double cabins with 3 heads and she is tastefully decorated to name a few!

For sale due to the owner's change of plans and his boating requirements. She is owned by an LLC and represents a great value as replacement would be \$2.7 million!

This is a rare opportunity to be the next owner of an incredible yacht of such distinction.
