SPECIFICATIONS

Overview

The 46.7m Raasta offers a timeless design with a notable build pedigree. This stunning Heesen superyacht is in excellent condition with an impeccable maintenance record and, having now completed a full 10-year survey, presents an exciting opportunity for a new owner to purchase a tri-deck superyacht built to both Lloyds and MCA certification.

Her contemporary, art deco inspired interior, was created by Bannenberg and Rowell and gives Raasta a modern classic twist.

Raasta can sleep up to 12 guests across her five beautifully appointed suites, comprising of a full-beam master, three guest doubles and a twin with two additional pullman berths.

The main saloon features comfortable, deep sofas and armchairs, as well as a bar counter with stools and a formal dining table.

Raasta's large decks offer a variety of seating and social spaces, with a dining table on the semi-covered main deck along with a bank of cushioned seating down the port side, and on the top sun deck, there's a Jacuzzi which is surrounded by sun pads, a further table and space for loungers.

A notable feature of this yacht is her convertible tender garage, able to transform into a spacious beach club with a large swimming platform.
