## Accommodations

---

Rascal II's interior is both comfortable and accommodating. Starting forward and aft of the chain locker is the master stateroom with a V-berth with a wider starboard side. This is followed by the head to starboard with Vacuflush head, vanity and separate shower stall. Opposite to port is the clothes locker. Up several steps to the Pilot house with helm to starboard and settee aft. The pilot house has doors both port and starboard for easy access to the side decks. Offset to port is the companionway aft to the Salon. The galley spans athwartships with the refrigeration to port and stove, sink, counters and cabinets to starboard. The aft portion of this space is the main salon with L-shaped dinette to port and table with drop leaves. Opposite to starboard is an additional straight settee. There are extensions both port and starboard to make comfortable twin berths on each side of the salon. The aft door leads to her cockpit with a ladder port side leading to the flybridge. Rascal II has warm teak interiors with light colored cushions on the dinette and settee. She has plenty of storage space and the finest joinery and cabinetry throughout.
