ХАРАКТЕРИСТИКИ

Обзор

The 74' OA shares the same platform that later became the 78' OA. So, she has very similar space and amenities as what is now categorized as the 78.

Knotty Girl has been owned and operated by a knowledgeable yachting family, and day to day upkeep and maintenance has been done by the captain/mate.

She is loaded with upgrades and updates including the optional CAT C-32 1650hp engines. All routine services were just done as well as the cooling systems serviced and updated. Total engine hours are exceptionally low.

This is a 3 stateroom plus crew layout. There are his and hers heads in the master, full heads with shower in the VIP and guest staterooms, a salon day head, and crew quarters with full head and shower.

Loaded with electronics and equipment including a recently upgraded Octoplex distribution system.

Knotty Girl is seriously for sale and priced accordingly.

Conveniently located at our North Palm Beach docks.

Основная информация

Тип судна: Моторная яхта

Модельный год: 2008

Год постройки: 2008

Страна: United States

Открытая палуба мостика: Да

- High gloss teak top table with inlays and custom slide mechanism
- Windshield defroster vent
- Large windshield and side windows
- Teak steering wheel
- Electric Stidd helm chair with foot and arm rests
- Recessed overhead lighting
- Teak stairway to flybridge

Lower Helm Electronics Equipment

- Electronic controls
- (2) control stations with complete CAT engine instrumentation with lighted, modern switches, glendinning
- (3) VEI 17" Monitors
- 6" Ritchie Compass
- ACR Remote spotlight
- Weatherworks Weather station
- Direct TV satellite
- Elbex Camera System- (2) Wing cameras: Aft deck & engine room
- Electrical engine control
- Engine alarm system, audio oil and temperature
- Engine hour meter
- Flir night visions camera

- Furuno GP 32 GPS
- Furuno Navnet Radar, Plotter, Color Sounder
- Furuno RD 30, speed, temp, depth
- Heavy-duty Kahlenberg air horn
- Hydraulic steering system
- International navigation lights
- Key Power bow thruster
- Key Power Digital stabilizers
- Key Power stern thruster
- KVH SAT Phone
- Ghost wireless security system
- Muir remote windlass control with chair counter with (2) controls
- Navigation Package with NEMA 2000 (for dual stations)
- Nobeltec chart system on computer with Weatherworks
- Octoplex monitor system screen
- Simrad autopilot AP 25
- Simrad joystick steering
- Third control in aft deck (engines and thrusters)
- VHF radio ICOM 604
- Yacht Controller wireless engine/thruster controls
- AIS Vessel tracking

Foyer

- Handrails on stairs
- Leather wall coverings
- Linen closet
- Maytag Dryer
- Maytag Washer
- Overhead lighting
- Pantry

Master Stateroom

- Large teak double door entryway
- (2) Night stands with granite countertops and storage
- 24V LED lights
- Smart LCD TV with professional Sound System with IR repeater
- A/V system
- Direct TV
- Drawers and cabinet on port side and starboard in master stateroom
- Dressing mirror

- Full-height, cedar-lined hanging lockers with automatic lighting and safe
- King-sized berth with innerspring mattress
- Satellite TV receiver
- Sliding window screens-teak
- Mirrored headboard
- Twin dresser drawers
- A/C controls
- Overhead recessed lights
- Reading lights
- Drawer storage under bed
- Carpeted flooring

Master Head

- His and hers split head
- Center shower with glass door
- Tecma head
- Granite counters
- Molded sinks with stainless steel hardware
- Mirrored vanities
- Marble flooring

VIP Stateroom

- (2) Bomar hatches with screens
- (5) Drawer dresser
- 24V LED Lights
- Reading lights
- Cedar-lined hanging locker with automatic lighting
- Carpeted floors
- A/C controls
- Ceiling lights
- Curved, mirrored headboard
- Drawers at foot of bed
- Dressing mirror
- Head with shower & vanity
- Samsung smart TV
- Panasonic DVD/CD audio stereo and video system with IR repeater with Satellite receiver
- Queen-sized berth with innerspring mattress
- Rope lighting
- Stainless steel oval port hole head/shower

- Stainless steel oval port light with privacy screen fixed
- Step ups on both sides of bed
- Speakers in ceiling

VIP Head

- Marble counters
- Teak flooring
- Molded sink
- Tecma head
- Walk in shower with glass door
- Porthole

Port Guest Stateroom

- 24V LED Lights
- Cedar-lined hanging locker with automatic lighting
- Carpeted floors
- Sharp 20" LCD TV with SAT TV
- Side-by-side lower berths with drawer storage
- Port light with privacy screen
- Center night stand
- Ample cabinets
- Reading lights
- Overhead lighting

Guest Head

- Marble floors
- Marble countertops
- Vanity with mirror
- Molded sink with stainless steel hardware
- Walk in shower with glass door
- Port hole
- Tecma head
- Teak floors

Crew Quarters

- (2) bunks

- Sharp 20" LCD TV with Satellite
- Amana Microwave Oven
- Amtico plank flooring
- Cedar-lined hanging locker with automatic lighting
- Drawers under bunks
- Head with stall shower
- Galley (microwave and refrigerator)
- Maytag stacked washer/dryer
- Secondary access via transom door

- Simrad AP 25 Autopilot
- Simrad Jog controls
- VEI screens
- Teak steering wheel
- Simrad joystick steering (backup steering)
- Bow and stern thruster controls
- ICOM VHF ICM604
- Octoplex monitor system screen

Aft Bridge Deck

- Texas pit stainless steel gas grill
- Stainless steel sink
- Steel head marine SM 1750R Davit
- Isotherm stainless steel refrigerator
- (4) Large storage lockers
- Freshwater washdown with electric hose reel
- Entry door to flybridge area
- Aft entryway and stairs down to aft deck
- Stainless steel railings
- Tender chocks
- Flag pole
- Palm Beach deck shade (removable)
- Radar arch on hard top
- JL speakers
- Spreader lights
- KVH dome
- Radar open array
- Digital antennae
- Hailing horns

Electrical System

- (2) C-Power Iso booster 93-Iso boost 100A/50A for shore power inlet
- 24 Volt system
- 24V lights in all compartments
- 4000W inverter/charger (pure sine wave)
- AC outlets throughout
- Battery paralleling system with control switch

- Bonding system throughout
- Constant Hot water throughout
- Dimmers for salon and master stateroom sconces
- Engine battery disconnect switch
- GFI reset in the main electrical panel
- Heavy-duty batteries, AGM 8D batteries for engines and house bank; AGM 4D for computer and generator
- Marine-grade, tinned copper wiring
- Octoplex system with AC/DC distribution panels in several locations in lieu of breaker panels
- Phone jacks at master stateroom & salon
- Polarity reverse indicating light
- Service battery switch
- Shore power receptacle 100 + 50 AMP in transom with cable master
- Vimar switches and outlets
- VOLT and AMP meters

Engine Room

- (2) 30 gallon water heaters
- (2) Northern Lights generators (port 1749, starboard 1769)
- (3) Valves in steering system for autopilot
- (4) Central vacuum systems
- 24V shower sump pumps
- AC outlets
- AC/DC lights in engine room
- Aluminum diamond plate flooring in engine room
- Aluminum fuel tanks with sight gauges
- Bilge pump in forward and aft of engine room
- Color-coded piping for fuel, water and hydraulic system
- Common drainage system for sink, shower, bilge & exterior deck
- Complete Delta "T" engine room positive pressure system with pressure sensors-engine room fan ventilation
- Dripless engine shaft seals
- Dripless seal for rudder post
- Dry bilge area in center of engine room
- Dual A/C water pumps
- Dual Racor fuel/water separators with Y-valves
- Engine isolation battery switches
- Engine Room lead/foam sound insulation
- Fresh-water outlet with hose for engines & generator in engine room
- Fuel polishing system
- Fuel/water separator for generators

- Headhunter pressure fresh-water system
- Headhunter sea water system
- High water bilge alarms
- Holding tank plumbed dockside for overboard discharge
- Lighted bilges
- Manual bilge pump in crew closet
- S/S water tank with sight gauge
- Sea strainers for raw water intakes (2 separate intake sea strainers)
- Spare conduit running from engine room to PH, engine room to FB and engine room to FB overhang
- Spare macerator pump
- Stainless steel cap on transverse stringers in central walkway
- Stainless steel rail on side of engine
- Sylomer floating floor system
- Underwater exhaust system
- Watermakers Inc watermaker
- Magnas Inc. battery chargers
- AC chiller system
- Fire extinguisher system with engine shut down feature
- Fuel polishing system
- Oil changing system for both engines and gensets
- Power steering system
- (2) 250 gallon additional fuel tanks (total 500 gallons additional)

Исключения

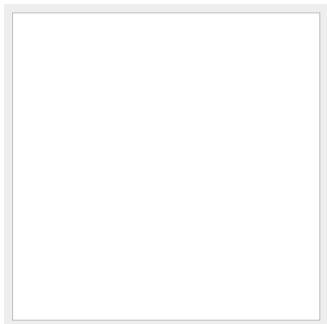

При продаже яхты исключаются личные вещи владельца.
