SPECIFICATIONS

Overview

The Sunseeker 84 Predator, "Fanamax" reflects Sunseeker's cutting-edge development in performance yacht design. With a sports flybridge, which is barely recognisable as another deck to onlookers, and a dining and seating area on the bow, accommodation on board this vessel is fully maximised. Below, clever design has created four spacious, ensuite cabins. "Fanamax" is an excellent turn-key opportunity on the current brokerage market. With a long list of extras that include the iconic "Sports Fly", trademark "Rise and Fall Hydraulic Platform" and the indispensable "Trac Digital Fin Stabilizers", this is a Sunseeker 84 Predator that must be seen to be truly appreciated. MCA coded. Berth available by separate negotiation.
