SPECIFICATIONS

Overview

This pristine deck boat will put you and your family at the forefront of owning a deck boat. Leaving the design in your hands, the GTD 200 comes in three distinct configurations: single console, dual console, and dual console with full windshield. The exterior styling only adds to the already proud Glastron name. The beloved signature sweep “spear” remains as prominent as ever. The interior delivers a wide bow and stern swim platforms, as well as U-shaped seating for those times when you want to max out with all 11 passengers. The port step with a hinged door gets everyone on board quickly, efficiently, and safely. From optional towers, biminis, privacy curtains, ski pylons, and optional head the GTD 200 has the capabilities to be whatever you want it to be!

Please note: Stock pictures included. Actual boat is Red.
