13. COMMENTS

This immaculate Princess boasts huge volume having a planing hull and LOA of 85' 1" and a wide beam of 20' 8". She is powered by dual 1,825HP CAT C32s with shafts offering excellent economy and sprint performance.

Combining Princess super-efficient hull design technology and a 8,400 litre fuel capacity makes this vessel capable of long range, high speed, blue water cruising.

High quality is evident throughout the interior with impeccable & timeless satin finish timber finishes, luxurious leathers, European appliances and entertainment systems. Features such as the large hydraulic lowering swim platform, spacious sun deck, bow dining & zero speed fin stabilisers are just some of the features that make this vessel memorable.

The Princess 85 is built to R.I.N.A green plus [Y] Classification, offering lightweight and extraordinary strength, roominess & versatility, which some compare to a pocket superyacht.

Four cabins with en suite heads, plus two crew quarters (or teenager's escape) makes that comparison a reality.

The main deck is completely open from the spacious forward galley, to the centralised formal dining, to the comfortable saloon lounge & aft deck wet bar. Large bi-fold sliding stainless steel aft doors really brings the outside in on those perfect days.

Large windows & unique port lights adds a flood of natural lighting to the interior. Aircraft like pilothouse doors port & starboard not only pump tremendous sea breezes through the main deck but also give you easy access to the generous walk around decks, bow sun-pad & dining.

Interior and exterior stairs lead up to the sun deck incorporating a second helm station, Sunroof, large dining table, wet bar, Jacuzzi, sun beds, audio visual entertainment making your way further aft is facilities to stow a second tender, in this case a Sea Doo RXT-X 260.

This PRINCESS 85 MOTOR YACHT is professionally maintained by a fulltime captain, and presents in exceptional condition, M/Y AQUA is simply the best equipped & maintained Princess 85 Motor Yacht on the market in Australia! All the systems have been fine-tuned for Australian cruising & beyond.
