SPECIFICATIONS

Overview

Mulder Futura 63 Flybridge "Laguna" is built at the Mulder shipyard in Voorschoten. Her current owner renovated "Laguna" over the last three years: completely new painted, update navigation equipment, new upholstery etc. This Mulder Futura 63 has a spacious interior with four cabins and three bathrooms and an unique layout with aftdeck, saloon, dinette, galley and wheelhouse on one level! "Laguna" is easy to maneuver due to her twin engines, hydraulic bow- and sternthruster and remote control. Do not hesitate to contact us if you need more information or would like to visit her.
