SPECIFICATIONS

Overview

This 50' Sundancer is in exceptional condition mechanically and cosmetic. Owner has just completed the 1000 hrs. maintenance on the Cummins QSM 11- 640HP engines. Bow thruster, Air-conditioned helm, SmartCraft instrumentation with custom 4-in-1 multi-gauges and System View. Newer canvas and isinglass with additional helm curtain to maintain a/c in the helm. TV in the cockpit along with seating for all your friends. Factory fiberglass hardtop with full enclosure. Satellite TV system. The blue hull sparkles.

Description

Salty Outlook is an example of a fully loaded, top of the line Sea Ray sport yacht. She can accommodate six guests in two staterooms and offers a pull out sofa in the salon. Admiring her from a distance you will be immediately drawn to the beautiful flag blue hull, hydraulic swim platform and oversized hardtop.

This blue hull beauty has been well cared for. Don't miss the opportunity to purchase a boat which spent the majority of its time in the fresh waters of Tennessee before being moved to Florida in September 2011.

Cockpit offers plenty of room for family and friends on the oversized aft deck and helm area. The aft deck seating area includes a molded fiberglass wrap around aft seat, a cozy love seat starboard with white comfortable cushions trimmed in dark blue displaying the embroidered Sea Ray logo. A large freestanding table with a white fiberglass top can be moved about the aft deck. To port is a wet bar with refrigerator, ice maker, sink and additional storage. Guests can sit back and relax enjoying their favorite beverages and appetizers while catching a beautiful sunset or watching their favorite show on the cockpit flatscreen satellite TV.

One step up from the aft deck going forward is the Helm. There are three points of entry to the cockpit; over the gunnels on port and starboard or via a port side transom door which is accessed via the hydraulic swim platform. This area is a captain's dream, complete with cockpit air and an isinglass enclosure to keep the a/c in. To port this area offers a unique seating configuration which can also be utilized as a chase lounge. The captain's chair, with bolster, is mounted on a high-low pedestal that swivels a full 360 degrees. The electronics package at the Helm has it all: Raymarine E120 GPS, Radar with Raymarine ST8001 autopilot, Sea Ray navigator with Map Tech 300, Smart Craft with sea view monitoring system, Raymarine VHF, bow thruster, Clarion AM/FM/CD stereo, Windlass remote, ACR spotlight and 12 volt adapter.

The bow area provides an oversized sun pad with drink holders, remote spotlight and foot pedal controls for the windlass which is accessed via walkways leading from the

cockpit to both port and starboard.

Teak and holly steps lead you down into the warm and inviting Salon boasting 6'8" of headroom. The sitting area includes a large, beautiful ultra leather couch to starboard and an ultra leather love seat aft with a pullout sofa bed, complete with a cherry wood high-low table. To port is a beautiful built-in entertainment center with built-in cabinets, complete with a 27" Zenith TV, satellite TV receiver, DVD player and AM/FM/CD receiver. An additional set of cherry wood cabinets with providing plenty of storage are located just aft of the entertainment center to port which contains the boats AC/DC breaker panels. Recessed behind cherry wood doors under the Salon stairs is an all-in-one washer/dryer combo.

To starboard forward of the Salon is the beautiful and well appointed Galley, with cherry wood cabinets, corian countertops with a built in sink and stainless steel single level faucet, coffee maker, microwave/convection oven, under counter side by side stainless steel refrigerator and freezer. Ample storage is located both above and below the counter.

The Master Stateroom is forward with an island pedestal queen bed providing storage on both sides. Starboard you will find a hanging closet with mirrored door and a wall mounted 15" flat screen TV. There is an additional hanging closet to port. A private entrance leads to the Master Head where the owner can enjoy a soothing and relaxing shower in the large stall shower complete with built in seat and glass door. Adjacent to the shower sits a cherry wood vanity with stainless steel sink, faucet and towel hanger. Completing the amenities is a vacu-flush head.

The Guest Stateroom and Head are located starboard and has over/under bunk beds with a small built in TV in the lower bunk and a hanging locker. The Guest Head has a large stall shower, cherry wood vanity with stainless steel sink, faucet, handrail and vacu-flush head.

Contoured lines and dramatic styling reveal a refined and powerful presence that will take your breath away. New graceful lines and a distinctive bow provide improved function with enhanced visibility. Beneath her appealing style are the technological advancements and conveniences you've come to expect from Sea Ray. A tender is available, but not included in the package.
