SPECIFICATIONS

Overview

"Maxed Out" has simply got to be one of the very nicest yachts of her vintage and class anywhere. Although she is a 1998 boat, so many additions and upgrades over the years make her show as new. Unbelievable! Sellers have loved this yacht for 15 years, and are simply retiring to a much smaller vessel. They plan to sell the yacht with everything shown in the photos included, minus 3 pieces. Call broker for details. The Navigator 53' Classic Raised Pilothouse has always been a very popular choice for the serious cruiser. She has a very versatile layout with the raised pilothouse and flybridge options, a tremendous salon, and 3 comfortable staterooms. The solid fiberglass hull provides a soft and efficient ride, and her Volvo 370hp diesels push her along at any easy 18 knot cruise. Some of the more notable features about "Maxed Out" are:

- Vetus Bow Thruster and Stern Thruster
- Spare props
- Spare shaft
- Custom decor package (see photos)
- Relatively new flybridge enclosure- in excellent condition
- All air conditioning units replaced
- Custom ladder from cockpit to flybridge
- Custom rails on swim platform
- Multiple binders showing services and maintenance to convey with the yacht.

Easy to see at Tidewater Yacht Marina in Portsmouth, VA. (Mile marker "0" of the ICW).**preliminary listing - more to follow.
