SPECIFICATIONS

Overview

2013 Sessa 38

We are open to trade-ins. Financing is available through our network of providers.

The Sessa C38, winner of boat of the year in England in 2010, is an icon of style and comfort. The light seeping in through its large windows, much like a veranda, gives rise to the feeling of becoming one with the sea. Below deck the optimization of space makes it truly livable, with two double cabins and a bathroom of impressive dimensions for its category. The two kitchens, one inside and the other situated on the cockpit the sunning areas, the chaise lounge and the large couches allow for those aboard to feel at home.
