SPECIFICATIONS

Overview

Tosca's hull was built by Sisu in 1983 and then she was completed by Oxford Boatyard in 1999 for the yard owner. So, she has a 1983 Sisu hull number, but she really is a custom 1999 Oxford 26 downeast style cruiser. Her present owner has kept her in very nice condition and continues to maintain and cruise her regularly. She offers a fuel efficient, low hour 135 hp Perkins diesel main engine, Radar/chart plotter, autopilot, bimini covered aftdeck, hardtop covered pilothouse, v-berth with insert, galley and an enclosed head. She makes a great weekender or day cruiser around the Chesapeake Bay and beyond.

Basic Information
