SPECIFICATIONS

Overview

"Tugnacious" is a beautiful 2000 Nordic Tug 37 that appears much, much younger than her age. This boat has been maintained beautifully by her original owners who are completing a lifetime of cruising. Since her launch, she has spent her life on a lift and under cover when not in use. The condition of her hull and superstructure reflect her superior care.

In all other areas, she's been maintained meticulously.

For the Nordic tug lover looking to stretch for a larger boat, without the downside of a poorly maintained older boat, this is a must see.

Basic Information

Category: Trawler

Model Year: 2000

Year Built: 2000

Country: United States

Dimensions

LOA: 37' 0" (11.28m)

Beam: 12' 11" (3.94m)
