Overview

"Please don't say 'manana' if you don't mean it..." The name of this beautiful vessel evokes thoughts of the classic Jimmy Buffett song about running away to the islands. And that's exactly what you can do, now, aboard "Manana!"

Only 20 of these were built...her big sister, the Slocum 43, was the more popular model. BUT this boat is roomy and sweet, with a much more spacious interior than similar (and more expensive) vessels. She's been owned and outfitted by a northeast Florida marine repair and consignment guru, and is thus outfitted with ALL the good stuff. Her Yanmar has well under 2,000 hours on it. Her teak decks have been replaced, re-glassed, and painted. Her teak is in great shape. She has multiple anchors, new marine AC, new marine refrigeration, an extremely comfortable layout, and a reputation as one of the most seaworthy boats out there...all at a GREAT price.

Basic Information

Category: Cutter

Model Year: 1984

Year Built: 1984
