Manufacturer's Description

A popular mid-range option, the Manhattan 60 provides pace and space in a craft that family and friends can operate comfortably on their own. But if a crew is required a neat aft cabin with full facilities for two may be specified. Alternatively this space can be used as a private cabin to boost guest sleeping accommodation to eight or as a workshop or laundry and store room, adding to the cruising potential of this capable fly bridge model.

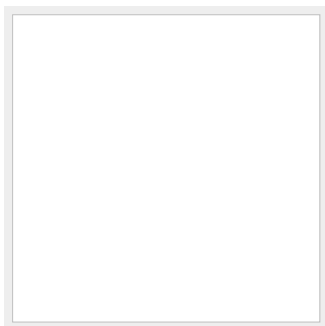

Exclusions

Owner's personal belongings.
