SPECIFICATIONS

Overview

The F-RIB 375 is the perfect size for medium sized yachts and people who enjoy the outdoor life-style giving them the perfect size RIB which is still very easy to store at the house or onboard.

Weighing only 56kg the F-RIB 375 can carry up to 5 passengers

The rigid V-shaped hull makes the F-RIB stable and seaworthy. The inflatable high density PVC (Mirasol 1100 g/sqm.) tubes with three separate internal chambers provide sufficient buoyancy even in rough sea conditions.

These compact inflatable boats have a rigid fiberglass hull making them very resistable to wear and tear.
