SPECIFICATIONS

Overview

This 2001 Cruisers 50 Sedan Bridge is loaded with upgrades, and she is turn key ready to go anywhere you want to take her. This model offers 3 staterooms, 2 heads, and 3 deck levels including a spacious bridge with seating for 10, refrigerator, ice maker, and wet bar for entertaining friends or family. The twin CAT C-12 700hp engines were added in 2002. This major upgrade allows this vessel to cruise at 27 mph with an economic fuel burn of only 0.7 MPG. At 8.8 mph, they only burn 7 GPH. The entire electronics package was updated in 2013 including a Garmin 7215 GPS that provides engine activity thru the Maritron NEMA system. Check out some of these upgrades:

- 2002 CAT C12 700hp Engines- Maritron NEMA Fuel Flow in GPS- Complete Interior Update 2019- New Flybridge Bimini- Complete Electronics Package New in 2013- Garmin HD Radar- KLH Satellite Receiver- Enhanced WiFi For Travel Abroad- Bow Thruster- Hydraulic Swim Platform- Bosch Washer & Dryer / Central Vacuum- Full Size Refrigerator in Galley- Dish Washer- Central Vacuum System- 11kw Onan Generator- Oil Change System- LED Lighting Throughout

The list goes on and on, and you will find the remaining upgrades as you review the listing. If you are searching for the ideal family cruiser, or if you plan to live aboard, be sure to get on board this Cruisers 50. She is waiting for her new owner, and she is turn key ready to go!

Accomodations:

Moving forward from the cockpit enter the salon to port and the galley to starboard. Continue forward to the dining area to port and the lower helm area. To starboard take 3 steps down to the staterooms. The master stateroom is amidships to port with a queen walkaround berth and an ensuite head and shower. Head forward to the VIP stateroom with queen walkaround berth. There is an entrance to the guest head from the VIP stateroom as well as from the companionway. Head aft to the guest cabin to starboard with two twin berths.

Engines / Generator:

Mechanics are in excellent condition overall:

Twin 2003 CAT C12 700hp Engines

This is a significant upgrade from the original engines and provides cruising speed of 27 mph at 2,050 RPM's. Fuel burn at 27 mph is only 0.5 gallons per mile.

Both engines have approximately 1500 hours, and the majority of those hours were

cruising at 9 knots. Fuel burn at 9 knots is only 1.25 GPH.

Onan 11kw Generator with approximately 1200 hours.

Exclusions

Owner's personal belongings.
