Interior Designer: Addison Nelson

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C-18

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

Designed and engineered by the Dutch Naval Architects Vripack and launched from Kingship Marine in 2010, Belle Isle is a displacement explorer yacht offered for sale in immaculate condition. Belle Isle was designed for extensive travel, and every feature is intended to enhance this purpose, with luxurious adventure top of the agenda.

A wide beam of 7.4m provides fantastic interior volume, and allows for spacious and comfortable accommodation – ideal for spending long periods on board, which is easily done with her 4,000nm range.

The interior arrangement allows for four suites, providing accommodation for a total of eight guests. The master cabin, situated on the main deck, has a sweep of panoramic windows that offer 180-degree views and a luxuriously appointed bathroom includes a full size bathtub. A VIP suite and two twin cabins (all en suite) can be found on the lower deck.

The décor has subtle oriental influences, which add nice detailing against neutral fabrics and limed oak cabinetry. The main saloon is smart, uncluttered and particularly light, with large glass doors leading aft to the main deck. Here, there's a cosy dining table with a u-shaped cushioned bench seat - a great spot for relaxed dining.

Belle Isle's flybridge can boast a Jacuzzi and there's plenty of space to socialise and enjoy the sun. Freestanding sun loungers are currently used on this deck to allow flexibility of seat positioning. The tender is also stowed on the aft of this deck.

Galley & Laundry Equipment

1x full height refrigerator 1x 4-plate ceramic topped hob 1x microwave-oven combi 1x hood over range 1x dishwasher 1x Miele oven 1x two-doors freezer 1x combi washer/dryer 1x washer 1x (stacked) dryer 1x Combine microwave/oven (crew) 1x refrigerator (crew)
