Overview

Beautiful-Beautiful-Beautiful best describes BRIGADOON. Kept up-to-date and maintained by a fastidious owner you won't find a more-roomy and well cared for motor yacht. Period!

Beautiful interior solid cherry and cherry laminate woodwork and joinery with matching carpets and fabrics make the interior of BRIGADOON feel like a luxury yacht. Full width salon due to the Silverton SideWalk design give you a huge salon. You won't believe the interior room you get on this 40' yacht! The interior settees are Flex-Steel and made of Ultraleather.

Some insist that the true measure of a motor yacht's worth is the dimensions of her flybridge, sundeck, and covered aft-deck. There must be space enough for owners and their guests to revel in sun, sea, and sky. But there are others equally convinced that a motor yacht must be judged by her interior spaces, how roomy, how magnificently furnished, how well appointed with standard equipment and amenities.

Happily, the 39 Motor Yacht satisfies all those requirements. The open bridge seats eight, who can also enter conveniently from the foredeck by the SideWalk design. The foredeck and sheltered aft-deck are the perfect adjunct to an interior designed for on-water living and entertaining. With a wide beam, the salon, dinette area, and uncommonly roomy galley are remarkable for their space and luxury. The convertible L-Lounge is sprawling, the dinette table, cherry-finished and the galley is a chef's delight. At the end of a satisfying day, two ample and elegantly outfitted staterooms await the travelers, each with a queen-sized berth and private head and showers.

The 39 Motor Yacht is as you like it, no matter whether your pleasure is the great outdoors or the great indoors.
