SPECIFICATIONS

Overview

Just Listed this unique CPMY Queenship is fully equipped for cruising, fishing or just relaxing. She features 3 staterooms and 1 Crew. You will be impressed with her beauty and functionality as you board her from the cockpit area. As you move up onto the Cal deck you will notice a very comfortable seating area with a table for your morning coffee or your evening cocktails. Moving forward you will be impressed with the curved SS sliding door and large window for natural light and ease of entrance to the salon of the vessel. You will be greeted by the openness of the salon with comfort all around. The large windows allow for all the natural light that you could possibly want. The large L shaped settee on your port side with two hi/lo expandable coffee tables ensures pure comfort for you and your guests. Unique to this salon are two flat screen TVs for your viewing pleasure one each on the starboard and port walls so wherever you are you can enjoy the latest news, movies or videos. The carpeted salon features on the starboard side as you enter multiple cherry or maple covered cabinets in which the main entertainment equipment is located. In addition these cabinets feature as much storage for your items as you could hope for. Moving forward on your starboard side you will note a full wine chiller as well as under counter refrigerators. To your port side is the well appointed galley which is totally open thus allowing the chef and guests to have complete freedom to participate in the process of preparing meals or just to enjoy everyone's company while enjoying a snack or favorite beverage.. Again moving forward you will enter into the Pilothouse with side doors to the deck and which features full electronics for safe and smooth navigation. Again a unique quality of this vessel is a settee and table located behind the helm and which features a pass thru to the galley. To the starboard side of the helm you will notice the cherry stairs up to the Fly Bridge as well as carpeted stairway down to the staterooms which feature 3 separate sleeping quarters. A well appointed master to aft and the VIP and guest quarters forward. This vessel is in wonderful condition and is available as a transferable LLC vessel. DETAILED INFORMATION

Accommodations

The accommodations featured on this vessel are comparable to vessel much larger and are ready for cruising, fishing or relaxing on anchor or simply at the dock. The California deck features a comfortable L shaped settee with table where you can enjoy casual dining watching the sun set and just relaxing. The salon is well furnished with a large L shaped settee, twin expandable coffee tables, lovely carpeting, extremely beautiful cabinetry and huge windows for all the natural lighting you could ask for. The galley is open and well equipped for preparing everything from snacks to full gourmet meals. Below decks you will sleep well and wake up ready to go the next day. The master suite features a center line full Queen bed and is surrounded with beautiful teak walls and multiple cabinets and cedar lined hanging closets for your personal items. A comfortable corner settee is featured if you like to read or just relax. A special ensuite head features a full glass enclosed tub and shower not usually found on vessels this size. Mirrors are abundant in this area. And of course the granite counters and shoji screens along with the carpeting ensure your comfort while resting up for the next day.

Your guests are also treated with comfort and convenience in their sleeping areas. The VIP suite features a centerline Queen as well as beautiful cabinets, carpeting, windows on both sides as well as a ceiling hatch to ensure plenty of fresh air and natural lighting. The 3rd suite features two full size twin beds with ample cabinets and cedar lined hanging closet. The VIP and guest share a enclosed head with shower that is accessed from outside the staterooms and can easily be closed off for privacy..

Galley

The galley featured on this vessel is forward of the salon and is not separated by a wall but is totally open to the salon area. In addition there is a open pass thru window which leads to the pilothouse area. The galley is laid out for comfort and function features all the appliances you will need to any meal preparations that the chef desires to engage in.
