Overview

New to Market is this Diesel 2013 35' Regal Sport Coupe and she will not last long! Here is a unique opportunity to own a **Loaded & Pristine** DIESEL Regal 35 Sport Coupe for the price of a gas powered one. She is powered by Volvo D3 **Diesel Engines** with 220 hp each and features **Joystick Docking** which makes operating in close quarters stress free. Equipped with every option available, **including Cockpit A/C** and stored inside on a dry storage rack you will not find a better-kept example of this very popular boat. This rare and low hour "Diesel" 35 Sport Coupe has been maintained with a true open check book. She just had her full complete engine & outdrive maintenance and needs nothing.

Call for your easy showing today at Little Harbor Marine on Tampa Bay in Ruskin, you will not be disappointed!

DETAILED INFORMATION

Vessel Walk-Through

This 35 Sport Coupe features an unobstructed forward view through glass and a new aft canvas with new eisenglass. The single level cockpit is made even more enjoyable by a full width sliding hard top. Like a hardtop, but don't want to always exclude the sun? The push of a button retracts the convertible top. Hot summer days forcing you in the cabin? The 35's **optional Cockpit A/C** helps you keep your cool. The cockpit features a unique layout with the aft lounge being able to convert to forward or aft facing and the L lounge being able to convert to forward or aft facing. This allows the aft cockpit to become a social center or two separate areas for entertaining. The cockpit also features a fold down TV above the electric grill, refrigerator, ice maker, and wet bar with trash bin! Below decks, the open plan interior of the 35 Sport Coupe features a vast L shaped sofa in the main salon whose seat back lifts to extend the berth behind, converting what first appears to be a mini-berth into a full queen size bed - very clever. With two additional lounges aft, a full galley, and head it is amazing the space Regal found when designing this yacht!

Interior

The forward berth is converted to a queen-sized bed at the touch of button. The aft settee seatback raises to form this extension. The aft cabin makes a very comfortable sitting area, with facing loveseats; a flat screen TV is mounted on the port side. The single seat/berth to the port side conceals filler cushions underneath, converting the entire area into a large queen-sized berth. The head is to port and the base of the companionway stairs and the galley is next forward to port.

- Tinted Cabin Door w/Separate Screen Door
- Forward Berth w/Privacy Curtain
- Aft Seating Area, Convertible to Large Berth w/Privacy Curtain
- Flat Screen TV in Aft Cabin
