# DETAILED INFORMATION

---

## Accommodations, Furnishings, and Layout

---

- Number of owner and guests that can sleep in staterooms: 4
- Number of owner and guest staterooms on vessel (excluding crew): 2
- Master Stateroom is Forward with a Queen berth

The 370 Sundancer is a very sexy vessel with her forward swept radar arch, gleaming stainless steel hardware, and graceful lines. This express yacht is easily boarded from the port and starboard cockpit gunwales or by water from her extended swim platform. Whether you are fishing, diving, or dining under the stars this boat is for you. The massive cockpit has a convenient transom door and a large bench seat forward. Other features include removable aft bench seat, removable pedestal table, abundant storage, and a aft cockpit awning. Off to port is a wet bar with sink and ice maker.

One step up to starboard is the raised helm deck. Captain and guests have a 360° view of their voyage. A full complement of mechanical gauges and electronics makes navigating a breeze. The forward deck can be reached from the side decks with the vessels secure hand rails all around. There is plenty of room for sun worshipers forward. Other highlights include Lofrans windlass, stainless CQR Anchor along with fender racks.

From the helm deck through a sliding door four steps down brings you into the beautiful salon. Immediately to port is the galley. Features include Corian countertops, Panasonic microwave, Kenyon stove, refrigerator and molded in sink. Across to starboard is a large leather settee with pedestal table. The sole is covered in a light Berber carpet with protective runners. The overhead is a light vinyl with recessed lighting and several Bomar hatches with sunshades. Forward of the salon is an enclosed head with a shower stall. Other appointments include VacUFlush head, storage cabinets, A/C vents, and mirror. All the way forward is the master stateroom with privacy pocket door. Items include raised queen berth, TV, A/C control, large hanging lockers and reading lights.

All the way aft of the salon is the aft lounge area. This area can easily convert to a double sleeping area with a privacy curtain. This area also features drawers, hanging locker, mirror, porthole, and reading lights.

---
