Manufacturer Provided Description

Once again, John Adams, Formula's exclusive designer, demonstrates mastery of design and construction in the cruiser arena through the Formula 34 Performance Cruiser. At 35 feet, 7 inches in length overall (34" 3' less the bow platform) and with an 11-foot, 6-inch beam, the 34 PC presents classic Formula styling with its forward-swept radar arch, sleek, flowing lines, plentiful storage and expansive cockpit. The 34 PC provides exhilarating freedom on the water and truly enjoyable cruising. Formula Performance Cruisers are superior in every sense - in spacious, well designed cockpits, upscale contemporary interiors, sturdy offshore construction, and certainly in spirited, pleasurable performance. PC cockpit design is ideal for relaxed times together on the water. Comfortably contoured lounge seating and adjustable tables provide creative versatility, and the integrated wetbar is nearby for entertaining with ease. For sunning, the aft lounge along with tables and filler cushions becomes a generous sunpad. On the foredeck, two Sunbrella sunpads are reached by way of molded steps leading to the walk-thru windshield, a hallmark Formula Cruiser feature. The forward port lounge invites everyone to share conversation while enjoying the view underway. Doublewide helm seating adjusts individually to the position each prefers. Throughout, smoothly finished storage areas secure fenders, cushions, tables and carry-on items to maintain a clutter-free cockpit. Formula Cruisers are equipped with advanced technology features as standard including chartplotters, remote LED white/blue cockpit lighting, updated LCD HDTV/DVD, separate audio system tweeters and iPod/MP3 ports. Notable options include upgrades in navigation electronics, engine monitors, satellite TV and DTS control systems. Joystick technology with either the Volvo IPS or MerCruiser Axis system provides excellent control while docking or maneuvering in tight places. Performance Cruiser interiors are truly elegant, yet designed for practicality and comfort. The luxurious Ultraleather lounge welcomes all with its solid wood table and smart décor pillows. The high-gloss, Deep Cherry finish cabinetry is richly echoed in gleaming, American Cherry woodgrain-finish flooring. Galleys in larger PCs are styled with a sleek beverage center based on the genuine, handcrafted Corian counter. Additional Description Each Performance Cruiser cabin elicits immediate admiration. The flawless, high-gloss, Deep Cherry finish of the cabinetry is echoed in solid wood tables, while gleaming, handcrafted Corian provides the perfect counterpoint. The galley is equipped

with a refrigerator, polished stainless steel sink, microwave oven and a concealed electric stove. Each hardwood drawer has dovetailed corners as in all fine furniture. Either American Cherry woodgrain-finish flooring or warm, subtly patterned custom carpet is a beautiful touch underfoot. As always, the luxuriously supple Ultraleather lounge is the natural center for socializing, whether for eating, watching TV or just for interesting conversations.
