## Overview

---

Built in 2006, RUTLI E is Hull #6 of Benetti's acclaimed Tradition Series. While the exterior of this four-stateroom Benetti was Stefano Righini-designed, her plush interior is the work of an even more familiar name - the iconic Italian fashion house, Versace. RUTLI E's accommodations are superbly laid out, featuring a stunning on-deck master and an ultra-private, aft VIP stateroom, in addition to two cabins amidships. RUTLI E also has an unusual amount of prime exterior space including an expansive flybridge with beach club-style seating for 18 guests, and a sun deck capable of hosting at least half that many. RUTLI E's high-end CAT C-18s have only been lightly used, accumulating less than 1,000 engine hours. While this Benetti represents the finest of Italian design, her super-strong carbon fiber props, sturdy fiberglass hull, and zero-speed stabilizers leave her well-equipped for less-than-ideal conditions. Notably, RUTLI E was built to ABS (American Bureau of Shipping) classification society rules and boasts a maximum range of 2,100 nautical miles so she'll take you where you want to go, with maximum safety, styling, and pedigree.

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2006

**Year Built:** 2006

**Country:** United States

## Dimensions

---

**LOA:** 100' 0" (30.48m)
