SPECIFICATIONS

Overview

DIVINE DESTINY, a 2007 Lazzara 68 is one of the most coveted yachts in its class. A four stateroom, five head flush deck motor yacht that offers all the amenities traditionally seen on yachts much larger. This mini-megayacht comes complete with full-size country kitchen, dining room table, aft garage for toy storage, dual generators, full beam master head, on deck day head and so much more. DIVINE DESTINY has recently been through a refit and upgrades including, New HVAC, New Sea-Doo Spark, New TV's, New Eisenglass, New cushions, New Refrigerator, New safety equipment, and more. No yacht in its class offers more and no other is better maintained than DIVINE DESTINY. Don't miss your opportunity to own this great yacht.

Basic Information

- New Garage Cams
- New Inflatable Paddleboards (x2)

- Sixteen new Type 1 PFDS
- 1 new SART
- New EPIRBs
- New Hydrostatic life Raft (16-passenger)
- Stripped and revarnished deck tables (Aft & Flybridge)
- New AIS System

Salon

- (2) end tables
- Sectional with storage
- (2) lounge chairs
- Coffee table
- Makore cherry storage cabinet
- Makore cherry window mullions
- Makore cherry valance
- Entertainment center, including LCD TV, Surround Sound, Stereo/ CD/DVD player, In-wall speakers w/ subwoofer, video cassette recorder/player
- Carpet
- "Illusion" overhead panels w/foam backing
- Window treatments
- Stainless steel sliding glass door to aft deck
- Direct and indirect lighting
- Telephone outlet
- (4) 120 VAC duplex receptacles

Dining

- Makore cherry credenza on mirrored forward bulkhead
- Round dining table and four chairs (plus two folding chairs)
- Carpet
- Overhead ceiling treatment above dining table with four recessed lights

Galley

- Makore cherry veneered cabinets and lockers
- Stainless cabinet handles
- Polished stone countertops
- S/S sink w/single faucet and sprayer
- Bamboo flooring
- Illusion" overhead panels w/foam backing
- Four burner electric built-in cook top
- Stainless steel microwave oven
- Stainless steel side by side refrigerator/freezer
- Stainless steel dishwasher
- 27" built-in oven
- (1) Telephone connection
- Instant hot water dispenser
- Water filter
- Recessed halogen down lights
- LCD/flush mounted
- Raised dinette with curved seating for four
- Polished stone table top
- Large storage locker accessed from top of dash

- Three forward windows
- Forward window mullions trimmed in wood "Illusion" upholstered center section
- Stairwell down to forward stateroom and media center
- 120 VAC duplex receptacles

Day Head

- Polished stone vanity top with under-mount sink
- Polished stone flooring
- Towel ring
- Wall mounted mirror
- Wall mounted soap dish and tissue holder
- Head Hunter Marine toilet

V-Berth Foyer

- Fold down computer desk
- Built-in settee w/storage
- Outboard shelving
- Padded walls and headliner
- Carpet
- LCD flat screen TV
- DVD/CD/Stereo with in-wall speakers
- Overhead lighting
- (2) 120 VAC duplex receptacles with ground fault breakers
- Telephone outlet
- Computer outlet
- Central vacuum connection in stairwell

- Polished stone flooring
- Washer and dryer
- Full height linen closet
- Stairway to main salon has polished stainless steel handrail
- Direct and indirect lighting

Master Stateroom

- Walk around master size berth with storage, innerspring mattress & padded headboard
- Makore cherry veneered night stands, port & starboard
- Makore cherry veneered armoires, port & starboard
- Built-in settee
- Desk with seating
- Walk-in closet
- Wood valance
- Entertainment center including LCD surround sound stereo, DVD player, in wall speakers and sub-woofer
- Carpeting
- "Illusion" overhead panels w/foam backing
- Fabric wall coverings, removable panels
- (2) elliptical portlights with window treatments
- Private access to head
- Direct and indirect lighting
- 120 VAC receptacles
- Decorative sconces
- (1) Telephone outlet

Master Head

- Polished stone vanity top with 2 undermount sinks
- Makore cherry cabinets with storage drawers and actuator latches
- Medicine cabinet & beveled mirror
- Polished stone floor
- Wallpaper and wall treatment
- Glass enclosed full size/tub/shower
- Head Hunter marine toilet
- Towel bars tissue holders, wall mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed halogen down lights w/switches
- (2) 120 VAC duplex receptacles with ground fault breakers
- Linen closet

Port and Starboard VIP Stateroom's

- Polished stone vanity top with 2 under-mount sinks
- Makore cherry cabinets with storage drawers and actuator latches
- Medicine cabinet & beveled mirror
- Polished stone floor
- Wallpaper and wall treatment
- Glass-enclosed full size/tub/shower
- Head Hunter marine toilet
- Towel bars tissue holders, wall mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed halogen downlights w/switches
- (2) 120 VAC duplex receptacles with ground fault breakers

- Linen closet

Port and Starboard VIP Heads

- Wood vanity w/medicine cabinet and mirror
- Polished stone vanity top with under-mount sink
- Polished stone floor
- Wallpaper wall treatment
- "Illusion" overhead panels w/foam backing
- Shower stall with glass door and handheld shower head
- Head Hunter marine toilet
- Towel bars, tissue holder, wall mounted soap and tumbler holders
- Wood Valance
- Exhaust fan
- Halogen down lighting w/ switches
- 120 VAC duplex with ground fault breaker

V-Berth

- Twin bunks over/under with storage below
- Makore veneered dresser with storage below
- Hanging locker, cedar lined with mirrored door
- LCD TV flush mounted
- DVD/CD/Stereo with in-wall speakers
- Carpeting
- "Illusion" overhead panels w/foam backing
- Private access to head

- Direct and indirect lighting
- Wall mounted reading light
- 120 VAC duplex
- Telephone outlet

V- Berth Head

- Makore cherry vanity w/mirrored medicine cabinet
- Polished stone vanity top with under-mount sink
- Polished stone floor
- Wallpaper wall treatment
- "Illusion" overhead panels w/foam backing
- Shower stall with glass door and handheld shower head
- Head Hunter marine toilet
- Towel bars, tissue holder, wall mounted soap and tumbler holders
- Exhaust fan
- Halogen down lighting w/ switches
- 120 VAC duplex with ground fault breaker

Fly Bridge

- Fully instrumented helm console, including the control for thruster system, electronic engine controls, hydraulic steering helm station, power-assisted tilt wheel
- Custom designed 316 stainless steel framed windscreen
- Stidd double helm seat
- Access to aft deck via molded fiberglass stairway with handrail
- Stereo CD player with speakers
- U-Shaped settee port and starboard, with Corian table for each

- (3) aft custom lounge chairs with cushions
- Built-in grill and refrigerator
- Flybridge Arch
- Custom fiberglass instrument arch

Electronics

- Antennas
- Radar
- Lighting
- Horns
- Navigational lighting
- Built-in grill and refrigerator

Anchor Equipment

- Maxwell VWC2500 24 VDC anchor windlass with capstan and two-foot switches
- Manual crank handle for winch
- Maxwell chrome/bronze chain stopper
- 60 lb galvanized steel anchor
- 220' of 3/8" ACCO high test G-4 hot galvanized steel anchor chain

Mooring System

- 6 ea. custom cast and polished deck cleats
- Custom cast and polished stainless-steel hawse rings
- 60 lb mooring anchor with chain
- Telescoping boat hook with mounting brackets

Canvas

- Sunbrella weather covers including - (2) flybridge tables
- (2) flybridge settees Flybridge console Flybridge helm seat
- Flybridge aft lounge chairs
- Aft deck table
- (2) aft deck chairs
- Aft deck settee cover
- Bow sunpad cover
- Textilene windshield covers

Deck Hardware

- Ships Air Horn: dual 15" and 18"
- Windshield wiper system 24 VDC I pantograph type
- Flagpole and Jackstaff, including teak 48" Flagpole, stainless steel Jackstaff
- Bow, spring and stem cleats, 316L stainless steel
- Stainless 316L steel rails on main deck
- Deck plate keys
- Burgee staff, custom stainless steel, with burgee flag
- Hawse pipes with stainless steel guide posts
- Forward hatch to bow cabin
- Logo, stainless steel
- Sliding fender tracks
- Custom designed prop puller Stainless steel (316L) handrails on all exterior decks
- Handrails for all exterior stairs
- 7 step boarding ladder with handrail: mounts to starboard
- Solid PVC rub rail with stainless steel insert

- Swim ladder

Port Lights and Windows

- 4 ea. fixed elliptical portlights
- Main deck windows are tinted glass, laminated and chemically strengthened Helm windows are clear glass, laminated and chemically strengthened, including Pantograph wipers with freshwater wash and intermittent speed
- Flybridge windscreen with polished stainless steel frame and tinted glass

Construction

- Hand laid unidirectional fiberglass w/vacuum bagged balsa-cored hull, deck, and flybridge
- Solid fiberglass laminated keel, chine, and all hull penetrations areas
- Balsa cored CNC reinforced stringer system & bulkheads
- Vinylester resin used throughout
- High-performance UV resistant gel coat
- Proprietary 3-step Long Life Gelcoat Protection process

Generator

- Onan 27.5 KW Diesel: 220 VAC 60 Hz, single phase, with sound enclosure and control panels. - 2955 Hours
- Additional 13.5 KW generator - 26 Hours
- Engine fitted with alternator and muffler

Grounding

- AC and DC Bonding and Grounding System
- Bonded metal sea water pipe, valves, thru-hulls, strainers

- Sacrificial zincs: anodes on all running-rig components

Exterior Lighting

- Overhead lights and arch accent lights
- Navigation Lights -dual element Aqua Signal Series 70, including port & starboard side running lights, stem running light, anchor light
- Exterior stairway lights
- Aft deck, transom and foredeck lights
- Underwater lights
- Boat deck lighting - Aqua Signal Series 1076
- Life raft embarkation lights
- Emergency lighting at each stairway
- ACR IOO Searchlight with dual remote controls

Interior Lighting

- AC Lighting all interior areas
- Vimar switches and receptacles
- Public space lights with DC emergency circuits
- Fluorescent lighting engine room

Shorepower

- Shore Service 100 amp 230 VAC 60 Hz
- 100' -100 amp, 208 VAC shore cord starboard aft
- Automatic Power Cable Reel 24 VDC Isolation Transformer
- Smart Y connector cable
- Switchboards, Load Banks & Control Panels: AC Switchboard: 220 VAC I 60 Hz,

including:

- Transfer from shore power to generator
- Transfer from generator to shore power
- Fitted with amp and voltage meters and breakers
- Loads balancing
- AC master distribution panel at lower helm, fitted with amp and voltage meters DC master distribution panel in galley DC Circuits and Batteries, including: Heavy-duty 8D 24 VDC Start and House Banks
- 2 ea. 24 VDC dedicated thruster banks
- Battery Charger provided for battery banks
- Vapor proof battery switches
- Each propulsion engine provided with an alternator

Electronics & Navigation Equipment

- Furuno NX 300 Navtex Receiver and antenna, 12 VDC
- (2) NorthStar 6000i 10.4" LCD Integrated Plotter/Radar/Sounder including open array antenna
- (2) Simrad IS 15 Analog Wind Instrument Head
- 50/200 kHz 1KW bronze thru-hull transducer (2) Simrad AP 22 Autopilot System, including Simrad CI 300 X compass interface
- Repeater at flybridge
- (2) Simrad IS15 compass display
- (2) Simrad IS15 multi-display
- Special Equipment: CCTV system, including:
- Cameras for Engine Room / Aft deck
- 10.4" monitor lower and flybridge station (note: uses the same monitor as ISIS)
- Uninterruptable Power Supply for navigation & communication equipment - IDT SU700 NET /

- 700v/450w/Smart

Communications

- VHF Simrad RS-87 VHF Radio / Fog Horn / Hailer, lower station (1) VHF Simrad ARK 87 full function handset, upper station Newmar 40 watt deck horn (one for each Hailer)
- Telephone System, including Panasonic KXT A 624 Hybrid KSU System, 3 CO / 8 EXT / 110 VAC Panasonic KX- T7730B LCD Speaker Phone, Panasonic PANKXTG 2563B cordless 900 Mhz phone, Panasonic Telephones KXT -7720 (Three) KVH Tracphone satellite phone
- KVH Trac Vision satellite TV w/5 receivers
- 2 shorelines: 1 voice w/ fax -1 voice only
- 1 cell line-voice or fax capable
- 1 Sat line-voice or fax capable
- Cellular telephone system: Cellular GSM SX5

Alarm Monitoring System

- Fire alarm system w/ emergency DC backup
- ISIS 500 ALY / SP custom vessel monitoring system, including:
- 10.4" monitor lower station; (1) 10.4"monitor (bright) upper station
- ECM output from engine monitor/alarm electronics
- Generator systems alarm/monitoring
- Tank level readout and alarms Fire Zone Alarm for engine room Bilge Alarms and pump run
- Auto fire discharge alarm
- CAT engine control alarms
-

Engine Room

- CAT C-18: 1,000 BHP @ 2,300 RPM; hrs. port / hrs. starboard hours
- Bronze sea strainer with Monel basket for each engine
- Water-cooled turbochargers and chrome engine oil filter package
- 2.5: 1 Twin Disc marine reduction gears
- CAT Electronic Engine Control and Monitoring System
- Automatic ventilation system with variable speed forced intake and exhaust
- White perforated aluminum hull-side, bulkhead, and FRP overhead panels
- Double thermal and acoustic insulation throughout
- Bronze seacocks with underwater bronze thru hulls
- Removable engine room hatch
- Weathertight engine room access door
- Mechanical engine monitoring gauges
- Stainless steel stanchions
- All primary machinery & equipment resiliently mounted Engine Room provided with double thermal and acoustic insulation. All living areas acoustically insulated Soundown carpet pad used throughout. Lower deck soles vibration isolated.

Bilge System

- 2 HP emergency bilge pump with 1" piping
- 4 ea. 24 VDC automatic bilge pumps with indicators
- 3 ea. bilge level alarm monitors connected to ISIS ship monitoring system

Blackwater System

- 100 US gallon black water storage tank
- Mako 1.9 GPM diaphragm pump
- Headhunter toilets: Superbowl & Royal Flush

- Fresh water flushing system
- Pressure system with CPVC pipe and PVC sanitary fittings
- Dockside pump out connection located on the starboard side of foredeck

Freshwater System

- 300 US gallon potable water tank: FDA Approved
- Electronic tank level indicator low level alarm
- 30-gallon electric water heater with circulation pump
- 600 GPD Sea Recovery
- Mach 5 - 115 VAC potable water pump
- Dual, charcoal & paper cartridge water filters Dockside water connection with pressure regulator Water fill station, forward starboard
- 4 ea. freshwater washdowns: fore & aft decks, flybridge, engine room
- CPVC piping: insulated hot water runs

Fuel System

- Single centerline FRP (Hetrion fire retardant resin) fuel tank 1,300 US gallon capacity
- Fuel oil filters for engines and generators
- Manual and electronic tank level indicators with high-low alarm
- Fuel lines, aircraft type, solid and flexible tubing, stainless steel grade
- Algae X fuel polisher
- Duplex 75/1000 Racor Fuel filters main engines and generator
- Stainless steel fuel fill to starboard

Lube Oil System

Lubricating oil change system with 24 VDC pump 30 US gallon fresh oil storage tank.
Quick- connect drain fittings on engines and generators

Steering System

- Engine power-assisted hydraulic steering system
- Stainless steel hydraulic lines
- Custom twin bronze airfoil rudder system
- 2 .5"stainless steel rudder stocks
- Cast bronze lower rudder bearings and seals with flax packing gland
- Wesmar Bow and Stern Thrusters

Central Vacuum System

- Central vacuum system, 120 volt
- Control & Instruments, Main Engines:
- CAT Electronic Control and Monitoring System with controls at pilothouse &
- flybridge helms, and aft deck docking station

Additional Units Included

- 2017 Seadoo Spark

Exclusions

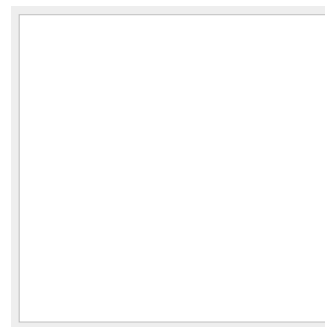

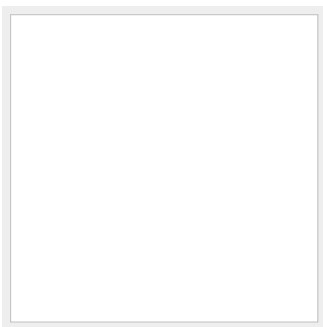

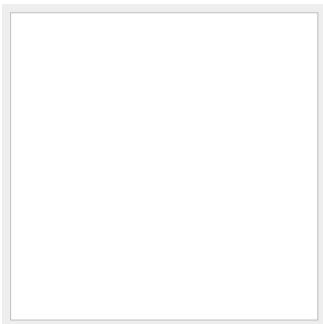

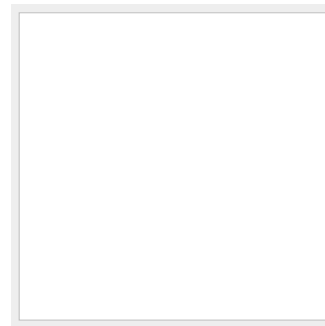

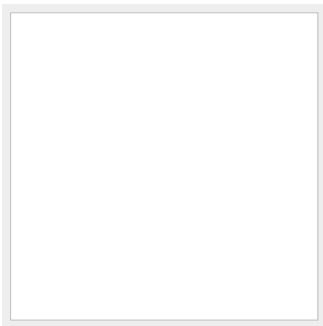

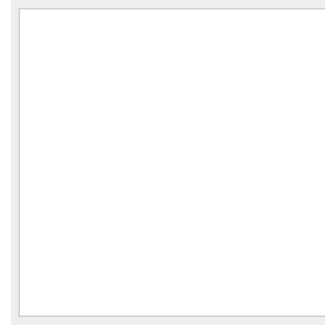

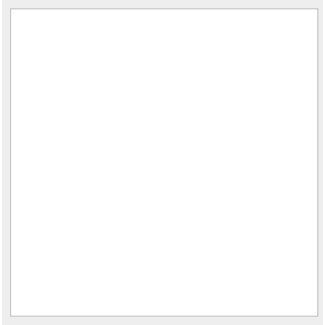

Owner's personal belongings.
