DETAILED INFORMATION

Walkthrough

FABRIC-ACTION is boarded amidships via an opening teak handrail to port and starboard. Forward is a sun lounge and bow seating area. The Pilothouse is accessed through a sliding door on either the port or starboard side. Upon entering flybridge access hatch is to starboard. Moving aft on the port side is the ships on deck galley with a Corian bar open to the salon. Large windows and a sliding glass door aft help illuminate the full beam salon. A line handling area aft doubles as a third entry point via three step teak ladder on the swim platform. The master stateroom is accessed from the salon via private 8 step spiral staircase to port. The master has a centerline king size berth with ensuite head and bathtub. The ships 3 remaining staterooms are located forward of the pilothouse on the port side down 5 steps. Furthest forward is a private stateroom with a centerline full sized berth. Aft to starboard is the ships twin cabin, with a twin berth aft, and a well concealed pullman if needed. To port is the shared head for the two guest cabins, with the VIP stateroom aft and down two steps. The VIP has a full sized berth to starboard with an ensuite head to port, and access to the engine room. The ships flybridge is accessed through the pilothouse with 8 teak and nonskid steps. The bridge offers great visibility and plenty of space to entertain with two helm seats and L shaped seating aft. To aft is a 12' tender with a 40HP 4-Stroke Mercury engine, and a Marquipt 800 davit.
