SPECIFICATIONS

Overview

This 2002 President 42' is a classic beauty and her craftsmanship is apparent immediately. Her dark blue hull accentuates her classic lines. Her cherry interior is richly appointed and spacious with twin queen berth cabins and ensuite heads.

This one of a kind President 42 Fast Trawler was sold new up here in the Great Lakes (Freshwater). She has only had two owners since new and has always been kept out of the water in heated storage for the winter seasons.

The vessel has been kept in Bristol condition without regard to cost and her current owner, who purchased her in 2010, has completely upgraded her with new electronics, added a bow thruster, added a freedom lift system for carrying a dinghy, new bridge enclosure, new vacu-flush toilets, and much more...

She is ready to start up and go cruising and would be an excellent boat to do "The Loop" in.

Basic Information

Category: Trawler
