SPECIFICATIONS

Overview

Owner motivated! Make Offer! This boat has been lovingly cared for by its knowledgeable owner!

Current projects about to be finished: new helm seat cushion, new turbo charger, rebuilt transmission, and rebuilding soft spot at foredeck!

This 1986 DCN Yachts Palm Beach 30, a Costa Rican built Gamefisherman style sportfisherman is in Excellent Shape!

Fresh hull and deck paint! Fresh Varnish! Fresh bottom paint and prop work! New Canvas and Coaming pads!

DCN Yachts are smartly designed, brilliantly engineered, and handcrafted one yacht at a time.

DCN Yachts built some of the finest cold molded sportfishing and pleasure boats in the industry, using experienced Costa Rican labor and the finest local and imported materials. Boats that stand the test of time and the rigors of professional sportfishing.

This custom express fisherman has it all: head turning good looks, fuel efficiency, simplicity, and fishability. This Palm Beach 30 was rewired and repowered in 2004 with a Yanmar 315, and has 500 hours since being overhauled in 2012. This engine package gets an awesome 3mpg at 18kts! Fishfinder, GPS and open array radar are displayed through twin Raymarine C-120 Screens, Raymarine Autopilot, and VHF. Owner recently added a Raymarine C7 screen in July of 2013! LED under gunwale and underwater lights! Outriggers and center rigger! Covers for helm, cockpit, and upper station! Bilge pumps, high water crash pump and high water alarm added 2013. Three sided eisenglass enclosure new in 2009 and recently re-stitched/glued. New fuel lines from fill to tank and associated hardware July 2013. This boat features custom upgrades, such as a folding tower with removable buggy top, and a 60 gallon livewell/leaning post designed by Yellowfin Yachts. The owners keep adding to the boat and catching fish! Please see full specs for more details and a list of recent upgrades totaling over \$40,000!

Spring bottom paint, zincs, etc in process as of 2/22/2018. Great time to come see her out of the water!
