## Overview

---

Mainship got it right with this 43' Trawler..... A sedan model with GOOD access to the engines...An enjoyable stairwell that leads to a flybridge that rivals MUCH larger yachts, and is capable of doubling the slow speed of a conventional trawler. Two Drifters has been maintained at a very high level, and her excellent condition is obvious when you first step aboard. When issues other than general maintenance have surfaced, they were corrected immediately. Records and a maintenance log are in the ships papers onboard. In 2015 Two Drifters had her outdated Raymarine plotters replaced with three new 7600 Series Garmin units that included HD Radar & AIS, and her XSV model is capable of running "Dual Channel CHIRP" sonar. The 7600 Series is still the most advanced unit that Garmin sells in this size. Two Drifters had her 3-Zone A/C unit replaced in 2018, and upgraded to a KVH Trackvision Dome in 2017.

## Basic Information

---

**Category:** Trawler

**Model Year:** 2007

**Year Built:** 2007

**Country:** United States

**Fly Bridge:** Yes

# DETAILED INFORMATION

---

## Walkthrough

---

Boarding Two Drifters from a floating dock is easy with her large swim platform and transom door. Boarding from a fixed pier, she is equipped with folding steps on either side of the aft cockpit. The aft cockpit is covered and has a storage locker inside the transom. A stairwell leads up to the flybridge, and engine room is also accessed from the aft cockpit. Two Drifters has secure side decks for going forward, and there is a midship door on the starboard side that leads to the lower helm. The entire foredeck has a non-skid surface, and the windlass and forward shore power connection are enclosed in the forepeak. Two Drifters salon is large with a serving counter to port and the lower helm is to starboard. Her galley is down 3 steps from the salon, and is situated midship where the motion of the vessel is least, but the cook is still in touch with guests in the salon. The guest stateroom is to starboard, and has double entry doors. Two Drifters master stateroom is all the way forward. The large head to port can be accessed from Master S/R or from Passageway. Both staterooms and the passageway are carpeted.

## Salon

---

Two Drifters salon has three access doors, double doors to the aft cockpit and a single helmsman door that accesses the starboard side deck. The salon has a teak and holly sole and has opening side windows with screens & wooden blinds. There are overhead storage cabinets along both sides. A leather sleeper sofa with ottoman and a nice counter/bar are on the portside. To starboard there is a beautiful hi-low table & two chairs. Also the entertainment center with TV/Bose surround sound/DVD/CD and Bluetooth. The electrical AC/DC monitors along with the Shorepower/Gen selector switch and Generator Start Panel are housed just aft of the dining table. Headroom is 6'8"

## Lower Helm

---

The lower helm is forward and to starboard, and includes : Garmin GPS map 7610 xsv (capable of Dual Channel CHIRP sonar) Garmin HD Radar and AIS Raymarine ST 8002 Smart Pilot remote Raymarine ST 40 Compass Ray 215 DSC VHF Glendinning Electronic Throttles Yanmar Digital Engine Monitors Sidepower Bow Thruster Control Windlass Controls Sea-Fire Auto/Manual Fire Suppression High Water Alarm Bennett Trim Tab Controls ACR Spotlight Controls (3) Electric Windshield Wiper Controls Devine Series Helm Chair

---

## Galley

---

The galley is equipped with : (2) Vitrefrigo AC/DC Refrigerator/Freezers (2012) Princess 3 Burner Glass Cooktop/ Oven with Exhaust Hood Microwave Coffee Maker Storage in Overhead Cabinets, Large Pantry to Starboard and Storage Under Galley Sole Large U-Shaped Corian Counters with Deep Double Stainless Steel Sinks

---

## Guest Stateroom

---

Entering through double doors, the Guest Stateroom can also be used as an office. Large Settee that converts to a bed with storage underneath Desk Full size washer and dryer Cedar lined hanging closet with auto lighting Overhead deck hatch with sunshade Portlight Headroom is 6'4"

---

## Master Stateroom

---

The Master Stateroom offers a Centerline Island Berth with custom bedspread and storage underneath. Settee to starboard 19" Sharp TV Reading lights on forward bulkhead Opening overhead deck hatch Very large cedar lined hanging closet with built-in drawers Central-Vac unit Headroom is 6'4" to 6'1"

---

## Head

---

Two Drifters head is equipped with a Vacuflush toilet, and with a lot of counter space for your stuff and a large sink & mirror, you will think you are on a larger boat. Her tub/shower with a glass door is also a nice touch. The opening portlight keeps the space ventilated. Headroom is 6'4"

---

## Fly Bridge

---

Sporting a custom hardtop with a full enclosure and capable of seating eight adults comfortably, the flybridge of Two Drifters is second to none. Her helm chair along with the two companion chairs make passages enjoyable for captain & crew. And when you include her summer kitchen in the conversation (don't even think of a TV) this is a great 43' boat. Here are the upper helm features : Garmin GPS map 7612 Garmin GPS map 7610 HD Radar & AIS Raymarine ST 8002 Smart Pilot (2) Yanmar Digital Engine Monitors Standard Horizon Quantum GX 5005 VHF Sidepower Bow Thruster Control Engine Start/Shutdown Control Glendinning Electronic Throttles Auto/Manual Fire Suppression System High Water Alarm Windlass Controls Bennett Trim Tab Controls ACR Spotlight Control Ships Horn Danforth Global Balance Compass JBL Sirius Ready Receiver/CD Player with JBL Speakers (4) Lights in Hardtop 12 Volt Outlet 110 Volt
