SPECIFICATIONS

Overview

IN AN LLC

Stunning with unique Italian styling and an attractive Karen Lynn interior. Brazilian burlwood joinery and designer wall coverings provide a warm, inviting interior. There are 5 separate stairways to the expansive bridge deck and 4 comfortable en suite staterooms plus crew. Twin MAN's @1,100 hp each provide the power. Her systems are recently updated with new electronics and mechanical upgrades, plus a fresh bottom job.

MARBELLA underwent a 2 year refit that included new paint, upgraded interior and audio/video equipment. The mechanical equipment was upgraded or serviced. This yacht has been maintained at a very high level by a meticulous owner.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

MARBELLA can be boarded European style via the swim platform and lower cockpit or the Marquipt boarding ladder from port or starboard.

The extended boat deck offers cover to the aft deck. A curved bench settee, mahogany table and 5 chairs provide a setting for al fresco dining. A molded stairway leads to the upper deck and there are wing doors to port and starboard accessing the side decks. Between the sliding glass doors that provide entry to the main salon is the aft deck bar.

Floor to ceiling oval windows add to the Monte Fino distinctive look, while an outboard mirrored overhead diffuses additional light throughout. There is a service bar aft to port and 2 facing settees, 2 upholstered chairs with a centered coffee table. Forward is a large entertainment center. The entertainment center is a divider from the formal dining area forward. A carpeted, curving stairway to port leads from the dining area to the accommodation deck while a starboard stairway accesses the fly bridge. There is also a day head to port.

Forward is the VIP suite with a Queen berth, desk/vanity and chair, ample hanging locker, TV and DVD and en suite head with shower. The passageway leading aft features leather upholstered panels inset into burlwood bulkheads. There are port and starboard guest cabins aft of the VIP, each with double berths and en suite heads and showers.

The master suite is aft. The master features an oversized Queen berth and a beautiful arched soffitted ceiling with recessed lighting. Night stands with drawers flank the berth and there is a large hanging locker with locking safe. The en suite bath is gorgeous with marble flooring, granite countertops, mirrored inboard bulkhead and Jacuzzi tub and shower.
