SPECIFICATIONS

Overview

With numerous bunks and an open layout, this custom trawler is ideally set up as an inshore fishing or duck hunting mothership for the Gulf Coast and beyond. Heavy duty commercial grade construction makes this a rugged and bulletproof family yacht or a great opportunity to use for chartering. This custom trawler is easy to maintain and economical to run, and with her bow thruster, a dream to maneuver!

Lady Aline is a trawler but is a specific style and layout similar to a wooden Biloxi Lugger but without the headaches. She is comfortable and safe on long passages over open water such as trips to the Bahamas, but her roots are in the barrier islands of the Gulf Coast. The Chandeleur Islands are the most famous of these. This bird sanctuary has been in place long before humans, and it is teeming with redfish and trout. The nearby Biloxi Marsh is a fisherman and duck hunters paradise. These Biloxi Lugger style boats make excellent motherships for fishing skiffs that are carried on the roof or daisy chained in tow. This custom trawler's hull was built to commercial charter standards but has been a private boat her whole life. Her layout is perfect for large families, a group of friends, or a charter business. Lady Aline has made trips across the open Gulf to the Florida Keys and Bahamas. She is a seaworthy vessel that is given the utmost love, care and attention. Her paint shines, her engine and systems run perfectly, and she is a pleasure to look upon.

My specialty is Custom Trawlers, Biloxi Luggers, and Chandeleur Boats, and I can honestly say that this is the nicest, most well-built fiberglass example that has been for sale in a long time and at an amazing price. I have personally sold wood boats this style with leaky hulls and leaky Detroit diesels for a lot more money, so this boat is a steal at this price. If you are in the market for a Biloxi Lugger, Chandeleur style boat, duck camp, or a uniquely laid out custom trawler, I would be excited to show it to you!

Basic Information

Category: Trawler
