## Overview

---

Azimut 116 built in 2008 is now for sale lying Hong Kong. She has a huge teak laid top deck, ideal for sun lovers & entertaining, with Jacuzzi, sun pads, bar area and BBQ. On the main deck is a foredeck seating area to enjoy the balmy breezes whilst at anchor. Side decks lead aft to a large aft deck with dining table and chairs. Euro style steps lead down to the bathing platform which is extended when the garage door is opened. Inside the garage there is an Avon Semi rigid tender, a two-seater jet ski and dive compressor with dive tank storage. The interior has a raised pilot house with a host of navigational equipment, a Captains chair and a settee for guests to enjoy the expansive views. On the main deck is a forward media room which could be converted into an occasional cabin, a day head, galley and crew mess to port and an open plan dining room and large salon. On the lower deck there are 4 guest cabins configured as two twin cabins and two double cabins all with en-suite bathrooms. The owners cabin is full beam accessed via a separate stairwell. This cabin has large windows allowing the light to flood in and there is a decent sized bathroom and walk in wardrobe. The engine room is very clean. The mains have been serviced by MTU and have only 920Hours run. Overall, a well designed vessel with large interior spaces & great generous deck spaces. The vessel has been priced to sell at USD3,995,000 Please contact us for full specification or to arrange an inspection of the vessel.
