## Overview

---

Pushing the styling envelope with its introduction in 2005, this 68' Azimut Express Cruiser was strikingly different from prior Azimut models. It has proved to be very popular featuring a modified vee hull, unique square portholes and tiered side windows.

The main deck combines cockpit with salon and helm providing an open air experience with an enormous sun roof and sliding glass doors. There are 2 large sun pads fore and aft and a hydraulic lift platform for launching tenders and toys.

A 3 en suite stateroom layout gives plenty of privacy when desired and there is also a small crew cabin aft. Twin MTU's @1360 hp each provide an exhilarating cruise.
