Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Overview

This is an extremely well kept 2014 Regal 30 Express. It has twin Volvo Penta 225 hp duo prop inboard/outboards with only 130 hours. The 5kw Kohler generator has even lower hours at only 30 hours. The current owner purchased the boat just over a year ago in Maryland and had the boat transported to Florida. He then had it bottom painted to keep in a wet slip. Due to work commitments the owner has not been able to use the vessel so he has moved it to high and dry storage and is now offering it for sale.

Boarding the vessel from the stern there is a pull out boarding ladder on the large swim platform which is covered with teak. A storage compartment is conveniently located in the transom for storage of lines and fenders. Entry to the cockpit is to starboard and there is a seating area located to port which converts to a full sunpad. To starboard is a sink with below counter storage for a cooler.

The fully equipped helm is located forward on the starboard side and features full instrumentation, dual throttles, compass, Garmin GPS Chartplotter and VHF radio. The port forward portion of the cockpit features a L shaped seating area. The windshield opens in the center for easy access to the bow which has a remote spotlight and windlass. There is a bimini top which attaches to the radar arch along with a full enclosure and cover.

Cabin features include 12k BTU Marine Air in the cabin, a full galley with microwave, sink, refrigerator, single burner electric cooktop and ample storage. There is a U shaped seating area forward in the cabin with a removable table and this converts to a sleeping area. There is also storage under this seating.

The cabin also features a flat screen TV, a Fusion stereo system and a full electronics panel for all vessel systems. The primary sleeping area is located aft of the main cabin and features a queen size berth with a privacy curtain. There is a fully enclosed head on the port side of the cabin with electric toilet, sink and shower. Engine maintenance is up to date and the risers and manifolds were just replaced August 2019.

This vessel offers all the features of a much larger yacht and makes a great coastal cruiser.

PRICE REDUCED \$89,900

Cabin Features

Cabin Features:

* Air Conditioning Marine Air 12k BTU

- * Enclosed Head with toilet, sink and shower
- * Mid Cabin Queen size berth with privacy curtains
- * Forward U shaped seating with removable table that converts to a berth
