SPECIFICATIONS

Overview

2007 Nordic Tugs 37 with Flybridge. If you're a Trawler or Nordic Tugs fan, this beautiful 2007 Nordic Tug with flybridge is the boat for you. She is in exceptional condition and was built in the year just prior to the 2008 economic contraction, which had such a large impact on boat manufacturers. The quality built into the Nordic Tug in this era was exceptional. The four-year slowdown in new boat builds, which followed, had a major impact on the used boat market for boats under 15 years old. There just aren't many available! Finding a recent vintage Nordic Tug with a flybridge and with this quality is a rare find. Check her out.

Basic Information

Category: Trawler

Sub Category: Raised Pilothouse

Model Year: 2007

Year Built: 2007

Country: United States

Vessel Top: Bimini Top

Dimensions

LOA: 37' 0" (11.28m)
