DETAILED INFORMATION

YACHT DESCRIPTION AND DETAILS

EXTERIOR This layout includes a good sized aft deck that is protected by the fly bridge overhang, access to the crew area is through a hatch on the starboard side of the built in seating. Forward to port on the aft deck is the ladder leading up to the fly-bridge.

Deck winches are to port and starboard with two deck hatches leading to the machinery space and lazarette on the centerline. The transom gates are aft to port and starboard leading to the swim platform, built into the transom is a small davit with the passarelle at the port steps, there is a large storage hatch in the swim platform. There is a deck hatch to starboard for access into the chain locker and a large sun pad installed just forward of the windscreens. Fly-bridge: The fly bridge is accessed from the aft deck or from a stairwell forward of the salon with good seating to starboard with a fold out table in front and good storage. The helm is on the centerline and comes with the engine controls, gauges and electronics easy to hand with a bench style helm seat for three. Aft of the helm is a console with a BBQ and sink below a fold down top, below the grill are lockers with a refrigerator and ice maker. The entrance to the lower helm is forward to port and the boat deck is accessed aft to port. This area is well protected by the hard top and full Isinglass enclosure. Boat Deck: Aft of the fly bridge is the boat deck that comes with chocks for a small tender on the centerline and the davit installed to starboard, the life raft is mounted on the hard top just above.

INTERIOR The interior comes with the standard layout that includes a good sized salon that has wrap around seating to starboard with a coffee table, the TV is mounted on the starboard forward bulkhead. To port is a sofa aft with the AV locker forward, there is good storage below the seating. Forward of the salon is the dinette that has wraparound seating with a glass oval table and good storage. The galley is opposite the dinette to starboard. Lower Helm: This is located forward to starboard. All engine controls, gauges and electronics are all easy to hand. Staterooms: The staterooms are accessed down a stairwell from the port side of the lower helm. The forward VIP stateroom comes with a centerline double bed plus good storage in lockers and drawers. The shared head and shower is aft to port. The port stateroom comes with upper and lower berths with the head and shower forward that is shared with the VIP stateroom. The starboard twin guest stateroom is accessed from the companionway. The stateroom comes with twin berths with good storage below and a hanging locker forward, the head and shower stall are forward. The Master Cabin is located down a stairwell aft, is of a good size, with a queen size bed installed diagonally with the TV mounted on the forward bulkhead and a small seating area to port. The head and separate stall shower is on the starboard side forward. The washer/dryer is in a locker to port outside the master stateroom. **GENERATOR** PORT ONAN 3408 HOURS STBD ONAN 789 HOURS **SAFETY** LIFE RAFTS: 8 MAN "AVON" EPIRB: "ACR" **ELECTRONICS** COMPASS: 5" PLASTIMO (x2) AUTOPILOT: RAYMARINE ST6002 (x2) RADAR: RAYMARINE (x2) GPS.: RAYMARINE E120 (x2) VHF: SHIPMATE RS8300 (x2) HAILER:
